### Concessions & Gift Shop

The Rainforest Grill and Gift Shop (near the main entrance) are open from 9a–5p in the summer. Concessions are also available seasonally near the Discovery Center.

### Zoo Tram

The Tram is handicapped accessible and offers a guided tour of zoo grounds boarding regularly at Tram Stations. Rides are FREE for Members!

### Zoo Attractions

Weather permitting, most attractions are open daily from 10a–4p. Tokens can be purchased at five locations within the zoo for the following attractions:

- Tram Tours
- Paddle Boat Rides
- Giraffe Feeding (Feedings from 11a–3p while supply lasts)
- Engelbrecht Carousel
- Budgie Walkabout Feeding
- Penguin Feeding Experience (COMING SOON)

Each activity requires at least 2 tokens per person. Tokens CANNOT be redeemed for cash or refunded.

### Where are the animals?

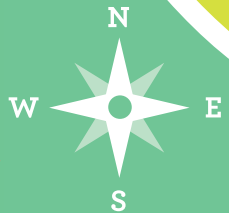

Animal Health & Safety Come First! Animals have temperature guidelines based off of their native habitats to assure healthy living. For this reason, animals may have access to indoor heating or cooling areas as needed. The animals can then make the choice to return to their outdoor exhibits at will.

## Botanic Gardens

Throughout the season, hundreds of plant varieties provide an ever-changing tapestry of beauty for our visitors and make our animals feel at home. From our Pollinator Garden to the Family Garden, these beautiful interactive areas are filled with ideas for your own landscape and a place for all ages to explore.

## South America

Travel to the heart of the Amazon through this 10,000 square foot “greenhouse”. Enjoy the year round 75 degree temperature as you explore the stunning beauty and diversity of animal and plant life in the South American rainforest. While winding through Amazonia, visitors encounter dozens of rainforest residents from high in the canopy to the forest floor below. Tropical trees and palms soar to the 45-foot tall roof and create a lush tropical setting. Howler Monkeys and a Toucan welcome visitors to their treetop homes. A Tapir and other exotic creatures wait around each bend in the trail. Visitors are also treated to a rare look at the elusive and majestic Jaguar.

Cuvier Caiman  
Squirrel Monkey  
Black Howler Monkey  
Jaguar  
Anteater  
Saki Monkey  
Screaming-Hairy  
Armadillo

Keel-Billed Toucan  
Roseate Spoonbill  
Capybara  
Scarlet Ibis  
Goeldi’s Monkey  
Jungle Garden

## North America

Take a peek at the species that roam our continent along the trail in North America. While exploring this area of the zoo, make sure to take a stroll in the Family Garden and enjoy the beautiful blooms and rich greenery.

Mexican Grey Wolf  
Tortoise  
Red Tail Hawk

Turkey Vulture  
Bald Eagle  
Family Garden

## Discovery Center

From animal encounters led by our Docents to everyday observation of our animal residents, the Discovery Center and surrounding Discovery Trail provide close-up and hands-on experiences for visitors.

Francois’ Langur  
Red Panda  
Ocelot  
Eastern Hellbender

Haycynth Macaw  
Clouded Leopard  
Tenrec  
Pygmy Slow Loris

## African Rift

The African Rift is home to many herd species and the same is true at our zoo. Weather permitting, visitors can participate in daily giraffe feedings. *(Feeding times posted at the Entry Plaza)*

Reticulated Giraffe  
Grant’s Zebra

White Stork  
Sitatunga Antelope

## Kley Memorial Building

Home to Komodo Cove, Creatures of the Night and a variety of reptile species, the Kley Memorial Building also houses a modern 4,000 square foot exhibit hall used for special events, traveling exhibits, and other facility rentals.

Indian Rhinoceros  
Komodo Dragon  
Fennec Fox

Reticulated Python  
Rhinoceros Iguana  
African Sand Cat  
Pollinator Garden

## Asia/Australia

Creatures great and small are represented from both the largest and the most unique continents. From the Takin to the Kookaburra, Asia and Australia demonstrate their diversity.

Sichuan Takin  
Amur Tiger  
Kookaburra

Grey Gibbon  
Bactrian Camel  
Malayan Sun Bear

## Children’s Enchanted Forest

The Children’s Enchanted Forest provides opportunities for kids to experience the wonders of nature and interact with some of our most playful species.

Colobus Monkey  
Binturong  
North American River Otter  
De Brazza’s Monkey  
African Crested Porcupine

African Pygmy Goat  
Miniature Donkey  
Prehistoric Garden  
African Cape Porcupine

## Africa

See how different species co-exist in the African wild from the striking markings on the Greater Kudu to the strong and swift Ostrich.

Greater Kudu  
Springbok  
Absynnian Ground Hornbill  
Blue Duiker

Grety Crowned Crane  
Ostrich

## Leaders in Conservation

Mesker Park Zoo & Botanic Garden is committed to helping conservation. Throughout the zoo you can learn about our efforts and what you can do to help!
