Interpretive Cart Guidelines:

When staffing the African Panorama interpretive station:

1. Find all of the biofacts that you will need and place them into a box for transportation (a list of all of the biofacts you need can be found in this binder).
2. Bring chairs (optional, are located in the CEF building) and the box down with you to the silver table that is permanently set up near one of the observation decks.
3. Place tablecloth on the table.
4. Group and place the Biofacts and laminated info sheets based on species.
- 5. KEEP AN EYE ON BIOFACTS AT ALL TIMES.**
6. An adult must accompany small children at all times.
7. Follow the talking point outline in the binder.
8. If you have to leave, put everything away in the box and take it back to DC. Do not leave anything unattended.

9. **Reminder: Zooteens must always travel in pairs, unless stated otherwise!**

10. **At the end of the day**, put **EVERYTHING** back in the box and pack it back up to

DC. (If you brought chairs, put them back in the CEF building and lock it)

11. Record each topic discussed during your shift in the binder.

12. Return biofacts and binder to the docent area where they were found.
